

## **Xplore Software Consulting Inc. Ltd Achieves ISO 9001:2008 Certification Award**

*By Xplore Software Consulting Inc. Ltd*

*Dated: May 20, 2010*

*Xplore Software Consulting Inc Ltd, a global provider of IT consulting, software services and outsourcing, has received ISO 9001:2008 Accreditation & Certification for its Quality Management System.*

Durham, UK, (August 31, 2009) -- Xplore Software Consulting Inc Ltd(<http://www.xplore-software.com>), a global provider of IT consulting, software services and outsourcing, has received ISO 9001:2008 certification for its Quality Management System, clearly demonstrating their commitment to meeting globally recognized management system requirements and design of IT Consulting, software services around the world.

“Achieving ISO 9001:2008 certification is an important milestone for Xplore Software Consulting Inc Ltd. This certification illustrates to customers worldwide our strong commitment to quality at all levels of our organization.” said Shivanand R. Koppalkar, Director. “Customers want to be confident that they are doing business with an organization that can meet or exceed their needs in a timely manner. Successfully completing the rigorous process required for certification is a clear sign that we are devoted to continually improving our quality IT Software and Management systems.”.

Quality-related activities of Xplore Software Consulting Inc. Ltd, the ability to meet clients’ need and the conformity of business processes to applicable statutory and regulatory requirements were major factors for Xplore Software Consulting Inc Ltd’s ISO 9001:2008 accreditation. Moreover, the accreditation of Xplore Software Consulting Inc Ltd to ISO 9001:2008 quality standard was possible due to a high level of software services, provided by the company and its continual improvement.

Shivanand R Koppalkar, Director & Founder of Xplore Software Consulting Inc. Ltd commented: "We are delighted to achieve accreditation, gaining recognition for our commitment to quality and to continuous improvement.

The successful ISO certification was made through QMS International Plc, a global organization specializing in ISO 9001, ISO 14001, OHSAS 18001, ISO 27001, ISO 20001 and BS 25999 assessment and certification.
